## Moki Snake Dance Hough Walter

**david leon higdon - opentextbc** - walter hough, a respected anthropologist, to write the moki snake dance, a sixty-four page booklet, generously illustrated with sixty-six photographs and drawings, and an ethnographically solid discussion of hopi culture, life, and dances.11 (moki is the navajo term for hopi.) huxley, of course, never visited the several hopi **objects and others - project muse** - one such publication was the moki snake dance, "a popular account of that unparalleled dramatic pagan ceremony of the pueblo indians of tusayan" by dr. walter hough of the united states national museum, published through the passenger department of the santa fe route (hough 1899; cf. dorsey 1903). **422 the american anthropologist. [vol. vii.** - after a lingering illness, at the moki village of sichomovi, in april of this year, pursuing his studies to the last. the myth upon which the rite is based and a section on the interpretation of the myth complete the book. the conclusion at which dr. fewkes arrives is this : " the snake dance is an **charles k. adams santa fe railroad collection**, - finding aid for the charles k. adams santa fe railroad collection, 1850-1951 343 3 santa fe trail between independence, missouri and santa fe, new mexico; by 1890, 9000 miles of track had been laid; the **the sio shalako at the first mesa, july 9, 1916** - hough] the sio shalako at the first mesa 411 priests made a meal trail on the mesa along their course. one priest, y'ate, carried a round deep basket, and the others, bags of homgnumne or prayer mealey laid the puhu, or a cord with feathers attached, along the meal trail and expectantly awaited
